

Fort in Weesp in PDF

Traveling to Weesp with the train

I went with the Schiphol-Utrecht Centraal stop-train service. The train wasn't that clean. The [Ns](#) should do something about this. Anyway, it took about 15 minutes on the train. It wasn't far from Amsterdam. It had only a little bit of country side between Amsterdam and Weesp.

From the station to the fort

The Walk was not that far. It took me 5 minutes to go there. But my [dad](#) stopt in a pub. I had a Cocacola Zero. My [dad](#) had kasteel bier (in English: castle beer) it was 11% alcohol. Later on we went further and went in the fort. Kids got a free apple juice. If you wanted to see the fort You have to have a tour to see the fort. It was for free. It was part of the [stelling of Amsterdam](#). I din't have a tour.

Weesp

Its a nice little town. It has loads of pubs. It has two churches. Its totally different to Amsterdam. And its quiet.

You can see [the map](#).
